Baby what you doing, tell me wishin' that was me
The way your rolling how your going
Girl your working like a G
it aint even the fact that your dress is hugging on your
curves
its the way that you carry yourself that makes you sexy
girl

with your purse on your shoulder
your heels on your feet
you don't work it too much
but it's just enough for me
the way your rocking with, looking like you lovee it
but if that was me, we wouldn't be here

we'd be at my place
on a night like this
be at my place
on a night like this
cos your far too sexy to be with another man
than be with me

now back to what i was saying
girl keep on doing your thing
got me here watching like motion picture filming your
thing
got you in every fantasy that i'm having baby
you know you got it baby
the way i like it with your

purse on your shoulder
your heels on your feet
you don't work it too much
but it's just enough for me
the way your rocking with
looking like you lovee it
but if that was me
we wouldn't be here

we'd be at my place
on a night like this
be at my place

on a night like this
cos your far too sexy to be, with another man
than be with me
like this

Ooooooh

be at my place
on a night like this
be at my place
on a night like this
cos your far too sexy to be, with another man
than be with me
like this
