(Verse 1)

i know that this is new
the things we're gonna do baby
always a quiet one
you never had your fun
well i see something in you
you no longer can hide
you never let it go
your love life moves to slow

(chorus)

tell me can you

SCREAM.....SHOUT

Show You what my lovings all about

tell me baby can you

SCREAM....SHOUT

Why not get what you been feelin bout

does it feel good when you

SCREAM....SHOUT

Dont it feel good when i do those things

to make you bring it out

(Verse 2)

what you were all about

he never brought it out (tell me whats wrong with him)

you held it in too long

you did your body wrong (thats no way to treat a lady)

how much more can you take

before you masturbate (aint nothing wrong with that)

and now you come with me

to set your body free

(chorus)

tell me can you

SCREAM.....SHOUT

Show You what my lovings all about

tell me baby can you

SCREAM....SHOUT

Why not get what you been feelin bout

does it feel good when you

SCREAM....SHOUT

Im gonna bring it out

go and let it go

go let it go

If it feels good let it go

SCREAM.... AND SHOUT
