Have you ever been to Southeast tipsing with your
bottles in the sky?
There's this Puerto Ricans precious gal's got that look
up on her eye
What you drinking? I'm drinking champagne
Well I was thinking, what's your campaign?

Champagne makes tipsy Patron might make me sick
Attitude and vodka does the trick
Somebody pour me a sex on the beach, sex on the
beach
I wanna have sex on the beach, sex on the beach
I wanna rock you, hey

Have you ever been to Paris with a model working on
your French?
And you let her know you're ballin'
And the coldest player coming off the bench
Well what you're smoking? I smoke that good shit
Across that ocean, but I'm on that hood shit

Champagne makes tipsy Patron might make me sick
Attitude and vodka does the trick
Somebody pour me a sex on the beach, sex on the
beach
I wanna have sex on the beach, sex on the beach
I wanna rock you, hey

If you're drinking like I'm drinking, put your hands in
the air
If you're drinking like I'm drinking, put your hands in
the air
If you're smoking like I'm smoking, put your hands in
the air
If you're smoking like I'm smoking, put your hands in
the air

If you're, like I'm, put your hands in the air
If you're, like I'm, put your hands in the air
If you're drinking like I'm drinking, put your hands in
the air
If you're drinking like I'm drinking, put your hands in

the air

Hands, hands

Sex on the beach, that's how I like it

Sex on the beach, I wanna have sex on the beach

Sex on the beach, I wanna rock you
