"Straight To The Dance Floor"

(feat. Lil Wayne)

[Intro]

Everyone straight to the dance floor immediately

J Foxx

Lets go

[Chorus - Jamie Foxx]

Go straight to the dance floor

Go straight to the dance floor

When you hear this sound

When you hear this sound

Straight to the dance floor

Go straight to the dance floor (go)

When you hear this sound

When you hear this sound

[Verse 1 - Jamie Foxx]

I don't play a little park

I'm a backseat driver

Ocean in my backyard

Deep sea diver

Turn tricks on the bitch

You can call me McGuyver

Let them spit

Make it hit the saliva

I don't play around about my dough

So mean with green

Whatever I say goes

That's why your girlfriend chose

[Bridge - Jamie Foxx]

I got my hands on my nuts

And a bottle up in the air

I'm with a hundred black suits

So them hoes can't help but stare

You see my face on the billboard

That's me right there

And I ain't never in my life

Seen a nigga this fly I swear

Yeah

[Chorus - Jamie Foxx]

So go straight to the dance floor
Go straight to the dance floor
When you hear that sound
When you hear that sound
So go straight to the dance floor
Go straight to the dance floor
Order me a few more rounds
Cause it's about to go down
Go straight to the dance floor
Go straight to the dance floor (go)
When you hear this sound
When you hear this sound

[Verse 2 - Jamie Foxx]

New York or Tim'd up
Chi-Town nominators
California love, court side at the Lakers
Game, I ain't never been a lame or a hater
Matter fact I'm on Larry King later
Gotta whole lotta change I can blow
You can hate but you still gonna watch my show
And I'mma still get dough

[Bridge - Jamie Foxx]

I got my hands on my nuts
And a bottle up in the air
I'm with a hundred black suits
So them hoes can't help but stare
You see my face on the billboard
That's me right there
And I ain't never in my life
Seen a nigga this fly I swear
Yeah

[Chorus - Jamie Foxx]

So go straight to the dance floor
Go straight to the dance floor
When you hear that sound
When you hear that sound
So go straight to the dance floor
Go straight to the dance floor
Order me a few more rounds
Cause it's about to go down
Go straight to the dance floor
Go straight to the dance floor (go)
When you hear this sound
When you hear this sound

[Verse 3 - Lil Wayne]

Bad bitch magnet
Rock star lifestyle young Lenny Kravitz
Coupe with the pipe loud
Sound like a dragon
Sittin' on rims like Spike on a basket
P-play with the kid, I'll turn your body into fragments
Weezy kill a beat, now they checkin' it for maggots
Young Mula baby
Every night's a good night
Shine like mirrors motherfucker
What it look like

[Bridge - Jamie Foxx]

I got my hands on my nuts
And a bottle up in the air
I'm with a hundred black suits
So them hoes can't help but stare
You see my face on the billboard
That's me right there
And I ain't never in my life
Seen a nigga this fly I swear
Yeah

[Chorus - Jamie Foxx]

So go straight to the dance floor
Go straight to the dance floor (go)
When you hear that sound
When you hear that sound
So go straight to the dance floor
Go straight to the dance floor (go)
When you hear this sound
When you hear this sound
