#### VERSE 1 (JAMIE):

Hold up baby, what we doing?  
Why we always get into it?  
I scream, and you cuss.  
Still ain't do, fix nothing.  
I don't really feel like fighting, and girl you look too  
good for crying.  
So here's my suggestion, let's take this aggression...

#### HOOK (JAMIE):

Take it out all on the bed, get that fight out that you  
had.  
What you gonn do, do, do, baby?  
Why don't we just skip the break ups?  
So we can get straight to the make up.  
I'ma make you say ooh, ooh, ooh.

#### CHORUS (JAMIE):

I love it when you touch me like, touch me like,  
Do me like, do me like,  
Baby I love when you take it, look at this love that we're  
making.  
Touch me like, touch me like,  
Do me like, do me like  
Baby I love when you take it, look at this love that we're  
making.  
Touch me baby, touch me baby.

#### VERSE 2 (CIARA):

If you mad, then baby use it.  
Glad we decided to do this.  
Feel so much better.  
So from now on whenever,  
We're about to have another problem;  
This right here could fix the problem.  
Don't forget my suggestion,  
Take this aggression.

#### HOOK(CIARA):

Take it out all on the bed, get that fight out that you  
had.

What you gonn do, do, do, baby?  
Why don't we just skip the break ups?  
So we can get straight to the make up.  
I'ma make you say ooh, ooh, ooh.

CHORUS (JAMIE & CIARA):

I love it when you touch me like, touch me like,  
Do me like, do me like,  
Baby I love when you take it, look at this love that we're  
making.  
Touch me like, touch me like,  
Do me like, do me like,  
Baby I love when you take it, look at this love that we're  
making.  
Touch me baby, touch me baby.  
Touch me baby, touch me baby.

BRIDGE (JAMIE & CIARA):

Anywhere... you wanna, put your hands on me, girl,  
Cause, I can take it baby!  
Go around.  
Yeah baby I'm ready for loving.  
Don't even matter!  
(JAMIE ADLIBS WHILE BRIDGE CONTINUES)Whoa,  
whoa, ohhhh, whoa, ohhhh, ooooooh, baby.  
Touch me, come on and touch me.  
Touch me right there!

CHORUS (JAMIE & CIARA):

Touch me like, touch me like,  
Do me like, do me like,  
Baby I love when you take it, look at this love that we're  
making.  
Touch me like, touch me like,  
Do me like, do me like,  
Baby I love when you take it, look at this love that we're  
making.  
Touch me baby, touch me baby.  
Touch me baby, touch me baby.

(Music continues to play while song fades out)  
(Electric guitar)
