Chorus:

Girl get comfortable  
We bout to do something you never  
Done before  
Baby not the usual  
Tonight we're getting unpredictable(2x)

Verse 1:

1 plus 1 ain't 2 when you wit me  
C ain't after A & B when you wit me  
It don't make sense right now  
But it will  
Later on when you see  
How I make you feel  
Regular ain't in my vocabulary  
When it comes to lovemaking  
Neither is missionary  
Positions girl pick one  
Better yet some  
Nevermind that  
We tryin all of 'em

Chorus(2x)

Verse 2:

I know you're used to dinner and a movie  
Why not be my dinner  
While making a movie  
Do you get it get it  
Do you got it got it  
Good good good  
Girl I knew you would  
The difference wit me and other guys  
Is that I'm more creative
