**(feat. Ludacris)**

*[Jamie]*

Yeah ladies I know you tired of the same old thing,  
Things have become so mundane  
I mean your bedroom is just so cold, so cold but I'm  
here to tell you  
I got a strategy we bout to heat it up (O I like that)

*[Chorus]*

Girl get comfortable we bout to do something you neva  
done before  
Baby not the usual tonight we gettin unpredictable  
So tryyy to roll wit me baby... baby  
IÂ'm a make you feel like you neva felt,  
Girl all because you let me get unpredictable

*[Verse 1]*

Baby 1 plus 1 ain't 2 when you wit me  
'C' ain't after 'A' and 'B' when you wit me  
It don't make sense right now but it will  
Later on when you see how I make you feel  
Regular ain't in my vocabulary  
When it comes to love makin neither is missionary  
Positions girl, pick one, better yet some  
Never mind that we tryin all of them Soooo

*[Chorus]*

Girl get comfortable we bout to do something you neva  
done before (Yeahhh)  
Baby not the usual tonight we gettin unpredictable  
So tryyy to roll wit me baby (baby)  
IÂ'm a make you feel like you neva felt,  
Girl all because you let me get unpredictable

*[Verse 2]*

I know you're use to dinner and a movie  
Why not be my dinner, while makin a movie  
Do you get it get it  
Do you got it got it  
Good good good  
Girl I knew you would

See what I got oveeer a lot of fellas is that I'm more  
Creeeative  
And soon you will see what I mean, what I mean Sooo

*[Chorus]*

Girl get comfortable we bout to do something you neva  
done beforeeee  
Baby not the usual tonight we gettin unpredictable  
So tryyy to roll wit me baby (baby)  
IÂ'm a make you feel like you neva felt,  
Girl all because you let me get unpredictable

*[LUDA]*

All Aboard!  
The spontaneous express  
Never the less always the more  
From the pool table to the kitchen floor  
Next stops the G spot... LUDA! hahaha

Let me put a little bit of excite-ment  
Up in yo lifestyle  
You gotta know the times of the essence  
I'm talkin right now  
I can get, get rid of that headache  
What you doin tonight  
Some say that sex is overrated, but they just ainÂ't  
doin it right  
I keeps it interestin baby just take them clothes off  
I'll be yo Tylenol just take me till you dose off  
Wake you up in the middle of the night and take you to  
another world  
You'll wake up in the mornin feelin like another giiirl

*[Chorus]*

Girl get comfortable we bout to do something you neva  
done before (done before)  
Baby not the usual tonight we gettin unpredictable  
So tryyy... So tryyy to roll wit me baby (baby)  
IÂ'm a make you feel like you neva felt,  
Girl all because you let me get unpredictable
