You are my favorite girl,  
I was your favorite guy  
And somehow I thought that we'd always be down  
(down)  
We went through crazy times,  
Inside this crazy mind,  
Somehow I thought that you would always be around.  
Somehow we changed up, we flamed up  
And every day you're fighting with me.(baby, baby,  
baby)  
And then it came up, I asked did you love me,  
Who knew that would be the last time we speak.  
Chorus  
All I could say is why (why, why)  
What did I do? What did I say? I didn't see this coming  
All I can say is  
Why why, why why why why why why why why  
For the last two months I was  
Kissing you goodbye  
Bye bye bye bye bye bye bye  
Kissing you goodbye  
Bye bye bye bye bye bye bye  
Verse  
Behind your lovely eyes,  
Couldn't see those lovely thighs  
That couldn't break her in over a course of time  
You could unbreak this glass heart,  
By just saying we're not apart  
By how can I go on knowing my love is blind?  
So many makes ups, So many break ups  
I never thought I'd see u leave, (you leave, you leave)  
I'ma put it to rest; because all I want is the best for you,  
You still haven't told me how I hurt so I deserve the  
answer to,  
Chorus  
Why (why, why)  
What did I do? What did I say? I didn't see this coming  
All I can say is  
Why why, why why why why why why why  
For the last two months I was  
Kissing you goodbye  
Bye bye bye bye bye bye bye

Kissing you goodbye  
Bye bye bye bye bye bye  
Verse 3  
All baby how, can you leave me like this  
Through all the smiles, and all the cries,  
The love we had I thought was divide  
No why, could u do me like this,  
I guess love question lesson would have learned to say  
There are no real answers to  
Chorus  
Why (why, why) ohhhhhhhhhh  
What did I do? What did I say? I didn't see this coming  
Ohhhhhhhhhhhh  
Why why, ahhh baby why  
For the last two months I was  
Kissing you goodbye  
Bye bye bye bye bye bye  
Baby whyyy, shawty why.  
You are my favorite girl,  
I was your favorite guy  
And somehow I thought that we'd always be down  
(down)
