Crizila [x3]

Powered by chrysler big block  
400 hundred cubes  
The biggest damn sedan to ever  
Come off the assembly  
Bumper from an eighteen wheeler  
A highway robbers dream

Highway road hog  
Highway robber

Crizila [x3]

With a twenty-five and a half  
Gallon fuel tank  
That can drain your wallet faster  
Than any woman can  
With a trunk big enough  
To fit three bodies in

Highway road hog  
Highway Robber

Crizila [x3]
