Yeah  
It's alright  
Sit tight  
I won't hurt you now

What'cha gonna do  
What'cha gonna do  
Hate  
Hate  
Stay at home  
It's gonna getcha  
Stay at home  
Whatcha gonna do  
Hate  
?  
Hate  
It's gonna getcha

Homewrecking girl  
Backstabber  
Homewrecking girl  
Backstabber  
Homewrecking girl  
Backstabber

What'cha gonna do  
What'cha gonna do  
Hate  
Hate  
Stay at home  
It's gonna getcha  
Stay at home  
Whatcha gonna do  
Hate  
?  
Hate  
It's gonna getcha

Homewrecking girl

Homewrecker

Sixteen miles to go, sixteen long miles to go  
Gasping for air, picking at small blisters on my  
fingertips  
Do you wanna go out for a ride

Dress me down, take me out, make me pray  
I'll be good, just as sweet as candy  
Dress me down

Sixteen miles to go, sixteen long miles to go  
Gasping for air, picking at small blisters on my  
fingertips  
Do you wanna know how far I've gone

In the end of it all I see you  
In the end of it all I fear you

Will I be fine

Is it too late for sorry now  
And am I too late  
Am I dead
