Jane brings me lots of things
But lots of things don't matter
Jane brings me lots of things
But lots of things don't matter
At all, at all, at all

Jane brings me lots of things
But lots of things don't matter
Jane brings me lots of things
But lots of things don't matter
At all, at all

Jane makes three
Jane makes three
Jane makes three

Jane brings me lots of things
But lots of things don't matter
Jane brings me lots of things
But lots of things don't matter
At all, at all, at all
Jane brings me lots of things
But lots of things don't matter
Jane brings me lots of things
But lots of things don't matter
At all, at all, at all

Jane makes three
Jane makes three
Jane makes three
Jane makes three
Jane makes three
Jane makes three
Jane makes three
Jane makes three
