"Started with a smoke"  
Uh oh  
Oh no  
"There's a building on fire"  
The house is on fire - the apartment's on fire  
Ooo wow  
"This is no game little boy"  
Get your cars - out of the driveway  
Ooo wow  
"Wait in the driveway"  
The house is on fire - the apartment's on fire  
Ooo wow  
"Looks like you did some damage"  
Get your car - out of the driveway!  
"I said is there anybody else in the house!"  
Where are you Mr. Fireman  
I want you, I need you  
Where are you Mr. Fireman  
I like you, I like you  
Where are you Mr. Fireman  
I need you I need you!  
Where are you Mr. Fireman  
I'd like you I need you now!  
Where are you Mr. Fireman  
Ooo fire fire  
I called you fifteen fucking minutes ago!  
My apartment house is on fire!  
Bring your goddamn truck and some water!  
Ooo wow oh wow!  
La la la la la la la  
"Engine 22 we're gonna need some backup"  
"I don't care who you are get out of the way"  
"Did you do this? Did you do this?"  
"We're comin' in - stand back!"  
It wasn't me I wasn't there I didn't do it  
It wasn't me I wasn't there  
I like you I like you!  
Cross my heart and hope to die  
Stick a needle in my eye  
I need you I need you now!  
Cross my heart and hope to die  
Cross my heart and I hope to die
