It's undeniably lazy  
What we do when you're not around  
Hospitalize the crazies  
Keep the maggots underground  
Oh, whoa  
Oh, whoa-oh

It was a hell of a time, it was a hell of a time  
So swell, so swell  
It was a hell of a time, it was a hell of a time  
So swell, so swell  
It was a hell of a time, it was a hell of a time  
So swell, so swell  
It was a hell of a time, it was a hell of a time  
So swell, so swell

It was a hell of a time, it was a hell of a time  
So swell, so swell  
It was a hell of a time, it was a hell of a time  
So swell, so swell  
It was a hell of a time, it was a hell of a time  
So swell, so swell  
It was a hell of a time, it was a hell of a time  
So swell, so swell

It's undeniably lazy  
What we do when you're not around  
Hospitalize the crazies  
Keep the maggots underground  
Oh, whoa  
Oh, whoa-oh
