Man, the message just proved to me that it was lies,  
That when you left me you lied to me and my eyes.  
I should have done what I thought to do.  
How could I?  
I love you, I love you  
Oh-Woah-Woah

You said I was you living and beginning,  
That you never meant to hurt my feelings.  
And now the truth is out I know.  
Oh-Oh Oh-Woah-Oh.

We'll never get back together,  
I'm really glad we broke up.  
Can't take you back,  
'Cause I know you'll cheat again.

And now we're not together,  
Oh boy you truly messed up.  
Can't take you back,  
'Cause I know you'll cheat again,  
Cheat again,  
You lied to me,  
'Cause I know you'll cheat again,  
Cheat again,  
'Cause I know you lied to me.

Hey, Hey, Hey

And if you die,  
I might come to your funeral,  
I won't cry.  
Won't feel a'bita regret because I tried.  
Keepin my s\*\*t together,  
I'll be alright,  
Ah, Ah, Ah.  
Ooohh.

'Cause I'm an independent lady,  
Don't need no fool actin' shady.  
And now you know it's way to late,  
Ay, Ay, A-aayy

We'll never get back together,  
I'm really glad we broke up.  
Can't take you back,  
'Cause I know you'll cheat again.

And now we're not together,  
Oh boy you truly messed up.  
Can't take you back,  
'Cause I know you'll cheat again,  
Cheat again,  
You lied to me,

Hey!

You'll never feel me back in your arms,  
'Cause I'm over ya charms,  
The fame has gotten so old  
O-wooo-old

You'll never get me back again,  
Gonna find me a new man.  
You can treat me like no Hoe-oh-ho-oh-ho-oh-ho-oh.

We'll never get back together,  
Oh boy you truly messed up.  
Can't take you back,  
'Cause I know you'll cheat again,  
Cheat again,  
You lied to me,  
'Cause I know you'll cheat again
