[Jamie Kennedy]

1984, lyin in the grass  
First time I ever got some ass  
Pop rock in my mouth, wanna go down South  
But the Whopper in my stomach really gave me gas

[Stu Stone]

Listen you crazy motherfucker, let's skip class  
I got a fresh pack of Hubba Bubba Berry Blast  
I got money to kill and ants to burn  
Drag car to the mall and a salon perm  
Michael Jackson's got a glove, Prince is cryin like a  
dove  
And the radio is kickin that song "I Need Love"  
I do too

[Jamie Kennedy]

So I hit the pavement with my homeboy Stu

[Stu Stone]

Break out the cardboard, break out the beatbox  
Take off your new shoes, pop-lockin in socks

[Jamie Kennedy]

Hey Stu I got the robot, down on lock

[Stu Stone]

I got a Cabbage Patch Kid and he's still in the box

[Chorus]

Where's the beef, where where, where's the beef  
(BRING THE BEEF BACK BITCH~!)  
Where's the beef, where where, where's the beef  
(WHO'S GOT BEEF?)

[Stu Stone]

Where's the beef?  
Motherfucker it's in your teeth  
While your girlfriend's underneath  
While you're chewin I'm pursuin started screwin that  
superfreak

[Jamie Kennedy]

She may be superfreaky, but I'm super cool  
I got a He-Man thermos that I rock at school  
My LaCosta's clean, and I'm fresh and on scene  
Got a Rubik's Cube can't figure out mean

[Stu Stone]

I got a Rubik's Cube too but mines all black  
I just peel off all the stickers and don't put 'em back  
Nancy got me feelin antsy, say no to drugs  
Mr. Drummond's givin Arnold & Willis more hugs

[Chorus]

Where's the beef, where where, where's the beef  
Where's the beef, where where, where's the beef

[Outro]

To the left (left left)  
To the right (right right)  
To the left (left left)  
To the right (right right)  
Now everybody~!  
Are you ready to dance  
DJ break it down like this

{\*scratching then beat to fade\*}
