Uhh  
Yeah!  
Turn my bass up

[Jamie Kennedy]  
Who's dippin sippin on some crunk juice (crunk juice)  
Who's dippin rippin at my jump shoes  
My one-twos, jump on scenes like me on big screens  
Been in "Three Kings" and three screens and what that means  
Uhh, I ain't done with it  
Take that Malibu shit and fuckin run with it  
Cause as long as me and Stu come come with it  
We gonna hit a home run with it

[Stu Stone]  
How dare you stare and wonder where we came from  
And I don't get it, uhh, you shoulda seen us comin  
While you was suckin your thumb and, I was messin  
with Care Bears  
And not that you care, but the shit still airs  
Uhh, damn right the check clears  
Respect's near, got a car and a career  
Chick in the car rear, won't tell your dad where  
The age of Kennedy and Stone is here

(We blowin.. we blowin up~!) - \*2X\*

[Jamie Kennedy]  
Son of an ass, put me on blast, for "Son of the Mask"  
Even went as far as to say it'd be the last  
But he who laughs last lasts lasts the hardest  
He who ran fast and ran the farthest  
Now it's a starfest, now I got 'em callin me ar-tist  
Shakin hands, and run in the stands like I'm Ar-test  
Might be the smartest, d-d-decision to start this  
An-an-an-an-and th-th-this beat be the hardest

[Stu Stone]  
Makin it happen, we done made it happen  
Who coulda guessed a couple of guys like us could

make it rappin  
Might I suggest that next time you do do not let that  
happen  
Now lean with it, rock with it, now let's get to snappin  
Ayyyy, uhh  
When it comes to rappin I'm Atlanta Brave  
Ayyyy, we gon' take this to the top  
And we won't stop until we hit the Grammy stage

(We blowin.. we blowin up~!) - \*3X\*
