Y'all been poppin off at the mouth bitches (yo shut up man)

We didn't want to do this (had to do it)

But we had to do this (knuckle up)

[Chorus: repeat 8X - gradually getting louder]

Knuckle up son, knuckle up son (knuckle up)

[Stu Stone]

Sick of all the haters, now that we made this

Y'all ain't actors, you're bitch-ass waiters

I need a refill on the coffee, make it quick

I don't need to see your headshot, you ain't legit

I don't need to read your screenplay, it reads like shit

Take off the {?} man you make me sick

What the fuck you doin out son, it's Tuesday night

Holla at your boy Ashton, I'm ready to fight

I've had 1 beers, 2 beers, 3 beers, 4

I'll, pushy your coochie 'til you're ready for more

Call your boy Dax, tell him we're ready for war

Me and J Keezy gonna settle the score

[Chorus]

[Jamie Kennedy]

This Hollywood shit, maaaaan, it's got me twisted

Up, Colin Fields in the club and I missed it?

Who's this motherfucker, he ain't A-listed

I take his bitch, then I kissed it, I'm filthy

Cause I'm tired of readin about that stinky leprechaun

Oh he's so cute - even better as a blonde

C'MON~! Is he really that good?

I seen his sex tape, I musta misunderstood

He drinks, he smokes, he curses - OH MY!

Bring him down my spot, I'll jack him in his eye

And if I can't, I'll get my bodyguard to do it

And if he can't, I'll get Stu to run through it

[Chorus]

Oh-hey, hey-oh! {\*4X with "knuckle up son, knuckle up

son" getting louder\*}

[Chorus]

[Outro]

(Oh-hey) YEAH, STU STOUT!

(Y Keezy) 2017 bitches!

Man, let's get some soup
