Another day, another way  
For me to open up to you  
Another day, another way  
For me to open up to you

I used to worry I would wake up one day  
Only to find we'd nothing more to say  
Now I'm letting silence do the talking  
Now I'm letting silence do the walking

Searching for another day, another way  
For me to open up to you  
Another day, another way  
For me to open up to you

I used to scream when a whisper would do  
Only wanted noise all over you  
Now I'm letting silence do the talking  
Now I'm letting silence do the walking

Searching for another day, another way  
For me to open up to you  
Another day, another way  
For me to open up to you

That's why I'm searching for  
Another day, another way  
For me to open up to you  
Another day, another way  
For me to open up to you
