What
What
What
Is it this time?

Could it be something I said?
Or maybe something I never said?

What
What
What
Is it this time?

Could it be something I did?
Or maybe something I never did?

What
What
What
Is it this time?

What
What
What
Is it this time?
Ooh

Could it be
Could it be
That actions speak louder than words?
It always one thing or another
Same thing day after day
It's either something I didn't do
Or something I just didn't say
I'm so tired of trying trying trying
To read your mind
'Cause baby
What is it this time?

What
What
What

Is it this time?

Could it be

Could it be

That actions speak louder than words?

But I'm tired of trying to read your mind

What?

Yeah
