Where d you go
why'd you leave
why is it everywhere I look.
and I just can't see you at all

Where d you go
why'd you leave
why is it everywhere I look.
and I just can't see you at all

Thats why I cry
Thats why I cry
Thats why I cry
Im gonna have to get along without you
Im gonna have to get along without you
Im gonna have to get along without you

Still asking where d you go
why'd you leave
why is it everywhere I look.
and I just can't see you at all

Where d you go
wont you stay
why is it everywhere I look
and I just can't see you at all

Thats why I cry
Thats why I cry

Thats why I cry
Im gonna have to get along without you
Im gonna have to get along without you
Im gonna have to get along without you

Still asking whered you go

Thats why I cry
Thats why I cry
Thats why I cry
Im gonna have to get along without you
Im gonna have to get along without you

Im gonna have to get along without you

Still asking whered you go
why'd you leave
why is it everywhere I look.
and I just can't see you at all

Where d you go
wont you stay
why is it everywhere I look.
and I just can't see you at all

Where'd you go
