Totally surrounded  
Totally detached  
This is kinda funny  
But I find it hard to laugh  
Wind up in the streets  
Wind up in a crowd  
Wind up one thing  
I will never be found

(Chorus):  
This is all I can ever be  
You know my name  
Gonna make ya proud  
I've been messed up all day  
'Til the day I die

Total disconnection  
Who the hell am I?  
Superficial overdoses

Coloring my mind

How am I supposed to scream  
In this shell?  
Trying? emptiness  
Maybe I?

(Chorus)

Look, there's someone there

You know my name, you know my name  
You know my name, you know my name  
Ooh alright

You know my name, you know my name  
You know my name, you know my name  
Ooh alright

(Chorus)
