You naked (x4)

Feel it in your veins
When I make you the sound
? â€˜bout you
Pretty little things you say and do
They make a man go mad

(Pre-Chorus)

I let her take control
I let evil take control
I let her take control
In the evenings, things get physical

Stay today
Stay tonight
Stay â€˜til the bodyâ€™s fine through the cold, baby
Stay today
Stay tonight

I just wanna get underneath it all

(Chorus):

Youâ€™re making me crazy
With the things that you do, you do, do, do to me
tonight

Feel a little sick
When I met you and I smelled your perfume
I know you was trouble

Pretty little thing
You make a man give up on what he knew

(Pre-Chorus)

(Chorus)

(You Naked)

I just wanna get underneath it all

(Chorus)
