Ooo yeeah e

Everytime I turn the Tv on
See another pretty face on my screen
Feels like I'm not good enough
To be on the cover of a magazine

-turn around-
I look in the mirror
And I wonder if I ever
Make sure up
All I want is someone
To make it clear
Are I ever gonna find
A perfekt love?

I you break through the maddness
And you tell me how it is

You'r a diamond that shines
One of a kind
An shimmery glorius live
You'r a star in a ring
One took me made
To shine like a sun
You'r a diamond

Freinds try tell me
Just lose it up a litle
Gonna scear, it gonna comes a way
Gonna love with a hug
I found the middle

-come on girl, you gonna get into the game-
Someone deep inside me insist
Are you sue that you really want to blake
I'm trust you hard enough to hit

I'm not an decoration
So would you tell me how it is?

You'r a diamond that shines

One of a kind
An shimmery glorius star
You'r a star in a ring
One took me made
To shine like a sun
You'r a diamond

Don't matter if they tell you how to live
Don't matter if they try to ignore you
Don't matter if they say what beautiful is
I not gonna let you tell, your a diamond -
Couse they already showed you

Your a diamond, diamond
Your a diamond, diamond
-oooooooowww-

You'r a diamond that shines
One of a kind
An shimmery glorius star
You'r a star in a ring
One took me made
To shine like a sun
You'r a diamond

You'r a diamond that shines
One of a kind
An shimmery glorius star
You'r a star in a ring
One took me made
To shine like a sun
You'r a diamond
