I'm living in  
The dream world that you made  
Every night  
Everything light up sweet and bright  
I'll be so lonely  
Like a blue bird  
In a cage

Dream girl dream girl  
Dream girl dream girl

I know your enemy  
I'm a refugee of your mind  
I find it underneath your soul  
Tell me why  
I no feel all right  
Show me your pain and take my chain

If you want me as your dream girl  
You won't get my lap I can't be next to you  
Like I'm emma girl tass to you  
My dream is to give you what I have to you

Hard to see  
Feel your matter hand girl  
Floating on water  
Hard to clear  
Walking on ectas wa I'm on time  
To find a place in your mind

Take me away  
I love this world  
Take me away  
I love this world  
Take me away  
I love this world  
Take me away

If you want me as your dream girl  
You won't get my lap I can't be next to you  
Like I'm emma girl tass to you  
My dream is to give you what I have to you

[I can't understand this part]

Take me away  
I love this world  
Take me away  
I love this world  
Take me away  
I love this world  
Take me away

If you want me as your dream girl  
You won't get my lap I can't be next to you  
Like I'm emma girl tass to you  
My dream is to give you what I have to you
