Bing bing it's all over town baby
Bada bing oh
Bada boom yeah
Oh oh oh
Jamie Lynn

Bada bing
Get away from me
Bada boom
Not into what you say
Bada bing
I'm not that easy babe
So don't think that you can play with me (You're nasty
nasty)
Bada bing
Boy don't call my phone (Whoa)
Bada boom
I gotta be alone
Bada bing
Bada boom
I've got to get away from you

I can't believe
You thought that I
Was dumb enough to believe all your lies
Time for you
To get on page
It's not a boy then what you retain
And if you think
There's any doubt
I might not know what you're about
I've heard the word
All over town
I know boy what's been goin' down

I've heard of guys like you
Playin' all your games
Givin' me attitude
'Cause you didn't get one past me (Didn't get one past
me)
I'm not one to be
Givin' you my love (Givin' you my love)

If your gonna change
Then hit the streets
Won't let you get
Can't get with me

Bada bing
Get away from me
Bada boom
Not into what you say
Bada bing
I'm not that easy babe
So don't think that you can play with me (You're nasty
nasty)
Bada bing
Boy don't call my phone (Whoa)
Bada boom
I gotta be alone
Bada bing
Bada boom
I've got to get away from you

Saw you at
The corner store
Now you want it like it was before
You never meant
To act that way
Decided for playin' all your games
I want you to
Get one thing straight
Not fallin' fallin' fallin' for what you say
I'll never be
Your fool again
I'm tellin' you boy this is the end

I've heard of guys like you
Playin' all your games
Givin' me attitude
'Cause you didn't get one past me (Didn't get one past
me)
I'm not one to be
Givin' you my love (Givin' you my love)
If your gonna change
Then hit the streets
Won't let you get
Can't get with me

Bada bing
Get away from me
Bada boom
Not into what you say
Bada bing

I'm not that easy babe
So don't think that you can play with me (You're nasty
nasty)
Bada bing
Boy don't call my phone
Bada boom
I gotta be alone
Bada bing
Bada boom
I've got to get away from you

Sorry baby you're all done (Sorry baby you're all done)
Got to give up on me and move on (Give up on me and
move on)
Call yourself another one (Call yourself another one)
'Cause baby I'm not comin' back (Not comin' back)

Bada bing bada boom bada bing bada boom bada bing
bing bing bing bing
Bada bing bada boom bada bing bada boom bada bing
bing bing bing bing
Bada bing bada boom bada bing bada boom bada bing
bing bing bing bing
Bada bing bada boom bada bing bada boom bada bing
bing bing bing bing

Bada bing
Get away from me
Bada boom
Not into what you say (Ain't gonna get my love)
Bada bing
I'm not that easy babe
So don't think that you can play with me (Don't play with
me)
Bada bing
Boy don't call my phone (No don't call my phone)
Bada boom
I gotta be alone (Rather be alone)
Bada bing
Bada boom
I've got to get away from you

Bada bing
Bada boom
I need to get away from you
Oh yeah
