Iâ€™m holding  
The worst dream in my hands  
You will never know when I lie  
And show you the way  
To my promise land  
On the oposite  
Iâ€™m standing proud when you fall  
And what I love the most  
Is to come crawling at night  
When you donâ€™t want me at all

Iâ€™m not the one you think  
And donâ€™t get suprised  
If you wake up  
And no ones there  
Iâ€™m not the one you think  
And maybe this is wrong  
But I dont care

And thereâ€™s so many  
Who have tried  
To take contact  
But everyone has failed and so will you

So donâ€™t forgett that  
Iâ€™m not the one you think  
And donâ€™t get suprised  
If you wake up  
And no ones there  
Iâ€™m not the one  
You think  
And maybe this is wrong  
But I donâ€™t care  
Yea yea

And youâ€™ll do anything  
To wake up  
But itâ€™s too late  
'Coz weâ€™re stuck here forever

I am not the one you think

And don't get surprised  
If you wake up  
And no ones there  
I am not the one you think  
And maybe this is wrong  
But I don't care  
Oh(I am not the one you)  
I am not the one you  
I am not the one you
