I'm gonna make you a promise
Starting tonight
If I never do anything else
For the rest of my life

I'm gonna hold somebody, I'm gonna look in
someone's eyes
'Til I'm so overcome that I cry
I'm gonna love somebody, more than anybody
Baby there's so much I wanna do
But I'm not gonna do anything without you

There's no way I'll ever give up
There's no way I'll lose
If I have to sacrifice everything
Then that's what I'll do

I'm gonna hold somebody, I'm gonna look in
someone's eyes
'Til I'm so overcome that I cry
I'm gonna love somebody, more than anybody
Baby there's so much I wanna do
But I'm not gonna do anything without you

This is my dream I live and breathe
All I think about
Hey this is the fire that burns in me
That will never go out

I'm gonna hold somebody, I'm gonna look in
someone's eyes
'Til I'm so overcome that I cry
I'm gonna love somebody, more than anybody
Baby there's so much I wanna do
But I'm not gonna do anything without you

Baby there's so much I wanna do
But I'm not gonna do anything without you
Anything without you

I'm not gonna do anything without you, oh no

No baby, I'm not gonna do anything without you
Anything without you, oh
I'm not gonna do anything without you
Without you, no oh, without you
I'm not gonna do anything without you
