Good morning my friend,
This is your heart talkin'.
You have been lying to me,
For quite some time.
You've been sayin' you don't miss her;
You've been sayin' you're over her.
You've been tryin' to make me believe,
She's out of your mind:

But it ain't over 'til I say it's over,
So you might as well.
Stop tellin' all those lies.
It ain't over 'til your heart says it's over,
So you might as well,
Just go ahead and cry.

Good evening my friend,
Yes, this is your heart again.
When are you gonna learn?
You can't fool me.
You've been sayin' she didn't hurt you;
You've been sayin' you're over the blues.
You keep thinkin' that you'll find a way,
To make me believe:

But it ain't over 'til I say it's over,
So you might as well.
Stop tellin' all those lies.
It ain't over 'til your heart says it's over,
So you might as well,
Just go ahead and cry.

But it ain't over 'til I say it's over,
So you might as well.
Stop tellin' all those lies.
It ain't over 'til your heart says it's over,
So you might as well,
Just go ahead and cry.
