I don't wanna hurt nobody,
Don't wanna make nobody cry.
I don't wanna do wrong, I don't wanna do wrong,
I don't wanna tell no lies.
Girl, I'm lovin' you, lovin' you against my will.
Lovin' you, lovin' you against my will.

I don't wanna hear the 'phone ring.
Don't wanna hear your voice on the line.
I don't wanna come to you,
I don't wanna come to you,
I don't wanna give in this time.
Girl, I'm lovin' you, lovin' you against my will.

Your love is like a deep, dark river,
Pullin' me out to sea.
Harder I try to resist you,
The weaker I seem to be.

I don't wanna turn down your side street,
I don't wanna pull in your drive.
Don't wanna see you standin' there,
Don't wanna see you standing there,
Don't wanna see that look in your eyes.
Girl, I'm lovin' you, lovin' you against my will.

Your love is like a deep, dark river,
Pullin' me out to sea.
The harder I try to resist you,
The weaker I seem to be.

I don't wanna feel your heartbeat,
I don't wanna taste your kiss.
I don't wanna call your name, I don't wanna call your name.
I don't wanna want you like this.
Girl, I'm lovin' you, lovin' you against my will.
Lovin' you, lovin' you against my will.

Lovin' you against my will
Lovin' you against my will

Lovin' you against my will
Lovin' you against my will
Lovin' you against my will.
Lovin' you against my will.
