I hear he's out there, somewhere  
I been lookin' for him everywhere  
From Roswell to Timbuktu  
I thought I found him once in a Jiffy Lube  
But it turned into a dead end

So I got my oil changed and I tried again  
He was a Major in archeology  
I was diggin' on him but he wasn't on me  
A girl tryin' to find herself a perfect man  
Is like tryin' to find Atlantis

It's a mystery, like the deep blue sea  
You can take it, you can leave it  
But I still believe  
So I won't give up and I won't give in

I know I'm gonna find him  
I just don't know when  
A girl tryin' to find herself a perfect man  
Is like tryin' to find Atlantis

I met a mystic, down in Memphis  
We stood at the foot of the pyramid  
He had me lookin' east had me lookin' west  
Then he showed me a map and said, "I wish  
you the best"  
There was Elvis, not the real one

When he told me, goodbye, he called me hun  
Just another shot in the dark  
Like El Dorado or Noah's Ark  
A girl tryin' to find herself a perfect man  
Is like tryin' to find Atlantis

It's a mystery, like the deep blue sea  
You can take it, you can leave it  
But I still believe  
So I won't give up and I won't give in

I know I'm gonna find him  
I just don't know when

A girl tryin' to find herself a perfect man  
Is like tryin' to find Atlantis

Uh huh  
You know that's right

Oh, it's a mystery, like the deep blue sea  
You can take it, you can leave it  
But i still believe  
So I won't give up and I won't give in

I know, I'm gonna find him  
I just don't know when  
A girl tryin' to find herself a perfect man  
Is like tryin' to find Atlantis

A girl tryin' to find herself a perfect man  
Is like tryin' to find Atlantis  
Tryin' to find Atlantis

Oh yeah  
I'm still tryin' to find Atlantis
