What do you want if you don't want money  
What do you want if you don't want gold  
Say what you want and I'll give it you darling  
Wish you wanted my love baby

What do you want if you don't want ermine  
What do you want if you don't want pearls  
Say what you want and I'll give it you darling  
Wish you wanted my love baby

Well I'm offering you this heart of mine  
But all you do is play it cool  
What do you want  
Oh boy you're making a fool of me

One of these days when you need my kissing  
One of these days when you want me too  
Don't turn around coz I'll be missing  
Then you'll wanta my love baby

Well I'm offering you a diamond ring  
But all you do is turn me down  
What do you want  
Oh boy you're goin' to town on me

One of these days when you need my kissing  
One of these days when you want me too  
Don't turn around coz I'll be missing  
Then you'll wanta my love baby  
Well then you'll wanta my love baby
