You say to me
What you wanna hear
No one listens, no one cares

I'll be someday
Something I am not
We don't wanna be like you
No!

Whooaahh [5x] death eternal
Whooaahh [2x] death eternal
Whooaahh

Why do people say
She waits for me
As I can't return her love
No there is till I tell her
When we bathe in virgin blood

Whooaahh [5x] death eternal
Whooaahh [2x] death eternal
Whooaahh

Death eternal (death eternal)
Death eternal (death eternal)
Death eternal (death eternal)

Whooaahh [5x] death eternal
Whooaahh [2x] death eternal
Whooooaahh...
