When I was young
I never needed anyone
And making love was just for fun
Those days are gone

Living alone
I think of all the friends I've known
But when I dial the telephone
Nobody's home

(Chorus)
All By my self
Don't want to be all by my self
Anymore

Hard to be sure
Sometimes I feel so insecure
And love's so distant and obscure
Remain's the cure

(Chorus)
All by my self
Don't want to be all by my self
Anymore
All by my self

Don't want to live all by my self
Anymore

(Big musical part {about 30 seconds})

When I was young
I never needed any one
And making love was just for fun
Those days are gone

(Chorus)
All by my self
Don't want to be all by my self
Any more
All by my self don't want to live

Don't want to live by myself
By myself anymore
