Hey, hey, alright ladies
We're gonna show them
How it's done

I've been starin' all day at the same computer screen
Around here I'm treated like I'm just some damn
machine
I punch in, I tune out, nobody cares what I'm all about
But at five that ends, they're waitin' for me, my
girlfriends

Yeah, yeah, yeah, we're gonna get loud
No doubt we're gonna get crazy
Yeah, yeah, yeah, who cares
If we do some damage to our reputation

Guys can come and go
Life can turn around and let you down so fast
But when you need that one sure thing that's gonna
last
Girlfriends kick ass, oh yeah

See the thing about a girlfriend is
If doesn't even matter if I show up in a bad mood
They're gonna make me laugh and change my attitude
Here's to one more, and me and my girls out on the
floor
We'll dance all night long, so come on mister DJ play
our song

Yeah, yeah, yeah, we're gonna get loud
No doubt we're gonna get crazy
Yeah, yeah, yeah, who cares
If we do some damage to our reputation

Guys can come and go
Life can turn around and let you down so fast
But when you need that one sure thing that's gonna
last
Girlfriends kick ass

Come on let me hear it

I like that now, more guitar

Yeah when we're together I can't help feelin' fine
Oh yeah, everything's alright
Tomorrow's comin' it'll be here soon enough
But nothin's buggin' us tonight

Yeah, yeah, yeah, we're gonna get loud
No doubt we're gonna get crazy
Yeah, yeah, yeah, who cares
If we do some damage to our reputation

Oh guys can come and go
Life can turn around and let you down so fast
But when you need that one sure thing that's gonna
last
Girlfriends kick ass, oh yeah

Talkin' about my girlfriends, come on, come on
Talkin' about my girlfriends, you know baby
Talkin' about my girlfriends
Talkin' about my girlfriends
