I been walkin' through life with a bullet proof vest
Shielding emotions, acting like I couldn't care less
I kept love at a distance my defenses were locked and
alert
Then you say hello and the next thing I know
I'm ready to risk being hurt

No more protecting my heart
My soul is out of the dark now yes it is
I'm settin' my sails, tail winds prevail and I'm on my way
You've got me lettin' my guard down baby
I wanna see what love has to offer me
I'm showin' all my cards
No more protecting my heart

I been guilty of sayin' no when I could have said yes
My heart's history, well it hasn't been the best
But this time I'm trusting in somebody other than me
I built the walls tall, now there gonna fall
Got no more secrets to keep

No more protecting my heart
My soul is out of the dark now yes it is
I'm settin' my sails, tail winds prevail and I'm on my way
You've got me lettin' my guard down baby
I wanna see what love has to offer me
I'm showin' all my cards
No more protecting my heart

I been waitin', hesitatin', treadin' water, tryin' to stay
afloat
But now I'm headin' in the right direction finally filled
with hope
No more protecting my heart

You've got me lettin' my guard down baby
I wanna see what love has offer me
I'm showin' all my cards

No more protecting my heart
Baby, I'm ready to start

No more protecting my heart
