What is this I'm feelin'  
I just can't explain  
When you're near  
I'm not quite the same  
I try to hide it  
Try not to show it  
It's crazy, how could this be

I'm fallin' for you  
Finally my heart gave in  
And I'm fallin' in love  
I've finally known  
How it feels

When you said "hello"  
I looked in your eyes  
Suddenly I felt good inside  
Is this really happening  
Or am I just dreaming  
I guess it's true  
I can't believe

I'm fallin' for you  
Finally my heart gave in  
And I'm fallin' in love  
I've finally known  
How it feels  
So this is love

It doesn't matter where I am  
Thoughts of you still linger  
In my mind  
No matter what time of day  
I'm really, really  
Fallin' for you

I'm fallin' for you  
Finally my heart gave in  
And I'm fallin' in love  
I've finally known  
How it feels

So this is love
