For God so loved the world
He gave us Him only Son
Jesus Christ our Savior
His most precious one
He has sent us His message of love
And sends those who hear
To bring the message to everyone
In a voice loud and clear

Let us tell the world of His love
The greatest love the world has known
Search the world for those who have walked
Astray and lead them home
Fill the world's darkest corners
With His light from up above
Walk every step, Every mile, Every road
And tell the world, Tell the world of His love

(Tell the world of His love)
(Tell the world of His love)

Our Lord our savior our king
Emmanuel prince of peace
Begotten of the Father's love
Born to set us free
Let heaven and earth sing His phrases
His righteousness proclaim

Let every heart rejoice in His love
And magnify His name

Let us tell the world of His love
The greatest love the world has known
Search the world for those who have walked
Astray and lead them home
Fill the world's darkest corners
With His light from up above
Walk every step, Every mile, Every road
And tell the world, Tell the world of His love

(Tell the world of His love)

Let us tell the world of His love
The greatest love the world has known
Search the world for those who have walked
Astray and lead them home
Fill the world's darkest corners
With His light from up above
Walk every step, Every mile, Every road
And tell the world, Tell the world of His love

(Tell the world of His love)
Tell the world of His love
