I was waiting for destination to come  
I was waiting for you and baby you're the one  
Yeah yeah

Only woman I see beyond the looking glass you know

I've been daydreaming, wasting in the sun  
Life has just begun, ah baby you're the only one  
Yeah yeah

Only woman I see beyond the looking glass you know  
Yeah yeah

Long legs that I've never seen  
Remind me of summer Gucci queen  
She dances so fine  
She got up on the magazine tabs  
She says to me says to me  
How you been  
I've been fine  
But love you ain't got to cry  
'Cause she ain't got nothing on you

We've been married for time  
Oh I've seen the sun shine  
Come lady pour the wine

Ahhh baby you're the only one  
Yeah, yeah  
Only woman I see beyond the looking glass you know

If you feeling it party x2

Only women I see behind the looking glass you know
