While you're talking to me  
With blood on your hands  
You're tired of being a stranger  
Tied up in his plans  
You'll cry forever and all you want to know is how you  
ever got here  
Why ain't he loving you

Hope you just don't stop praying when the waters fall  
'Cause standing in the rain ain't gonna leave you dry  
People say your love pure one of a kind  
But standing in the rain ain't gonna leave you dry

People say no

We all fall sometimes  
Get burned sometimes  
Get cut wide open  
Thought you'd learn by now

So why you want to do this  
Why you want to fall  
Why you keep pretending  
To make sense of it all

I hope you just don't stop praying when the waters fall  
'Cause standing in the rain ain't gonna leave you dry  
So stand up feel the light  
Don't you want to see all that you've got inside  
Your love pure one of a kind  
But standing in the rain ain't gonna leave you dry

So take the chains off your world  
'Cause they ain't gonna do you well  
Take the lock from your heart  
Open it 'cause it ain't hard  
It ain't hard

Oh woman just don't stop praying when the waters fall  
'Cause standing in the rain ain't gonna leave you dry  
So stand up feel the light  
Don't you want to see all that you've got inside

Your love pure one of a kind  
Standing in the rain ain't gonna leave you dry  
Said your love is one a kind  
Standing in the rain ain't gonna leave you dry
