This is the life I've always wanted
To know the prince of peace
To feel my faith restored
As your grace surrounds me

This is the day of new beginnings
This is where my freedom starts
And now death has lost its sting
And Jesus how can I thank you?

Just to know, just to know that you love me
Gives me hope to carry on
What can this world do to me? No, no
Just to know, just to know that you're with me
On all these roads I traveled on
When all I have is gone
I confess my dependence on you

There is a lightness in my laughter
There is a joy inside my soul
My heart is overwhelmed
And Jesus how can I thank you?

Just to know, just to know that you love me
Gives me hope to carry on
What can this world do to me? No, no
Just to know, just to know that you're with me
On all these roads I traveled on
When all I have is gone
I confess my dependence on you
Dependence on you

Just to know, just to know that you love me
It gives me hope to carry on
You're the one thing that I can turn to
Just to know, just to know that you're with me
On all these roads I traveled on
You're the one thing that I can turn to
Just to know, just to know that you love me
It gives me hope to carry on
There's nothing this world can do
I confess my dependence on you

Lord, I confess my dependence on you
Dependence on you
