ALL MY HEART

Written by N.Nicolosi/B.Addoms/M.Vice

Ã,Â© by Blue Team Music Ed. Mus.

(verse 1)

Everyday's another chance

To live the best I can

Try to see the positive

Be thankful for what I have

Sometimes it's hard and it takes all I've got

To hold my head high and not just give it up

So move on up

Walking this fine line full of stars that shine

But I believe I have to do my part

With all my heart 'cause

(chorus)

(Somewhere) someone needs a hand to hold

(One touch) can make a difference I know

(That's why) I'm sending out this message with all my

heart

All my heart

(Reach down) deep in the soul of the world

(Reach out) from the heart to spread the word

(It's time) to give it all I've got, give it all my heart

All my heart

(verse 2)

Won't waste another tear

Trying to change the past

I won't live my life in fear

Hiding behind some mask

It's time to tell the truth

And trust my heart

Life can bring you to your knees

No matter what, or who you are

Anger's a lonely word
It feeds the dark (hey)
I want to face the light with open arms
With all my heart 'cause

(repeat chorus)

(bridge)

One touch - One smile - One hope - One child
One love - One chain - One world - One day
