FROM A FOOL TO A WINNER

\*\*\*\*\*

Written by Klarmann/Weber

(verse 1)

I wasn't looking for love  
I didn't feel alone  
I wasn't prepared at all  
Was just on my way home

I didn't miss anything  
I led a normal life  
Until you came on the scene  
Everything seemed to be alright

Someday Â— someday  
I caught a look from your sweet eyes  
Someday Â— somehow  
The sun rose up in my skies

(chorus)

From a fool to a winner  
From the wrong to the right  
From the depth to the surface  
From the dark to the light  
From offside to the middle  
From routine to surprise  
From the void to the center  
This is how you changed my life  
It's all been revolutionized by you my baby

(verse 2)

How can it be so extreme?  
How can I feel so high?  
How can it seem that things suddenly take off their  
disguise?

It might be hard to believe  
But it can't be denied  
It really happened to me  
Must be love at first sight

Someday Å— someway  
I caught a look from your sweet eyes  
Someday Å— somehow  
The sun rose up in my skies

(repeat chorus)

You really got me mesmerized

(bridge)  
Is it real or is it another dream  
Can a thing ever be that extreme  
Am I gonna go out of my mind  
Is it some new kind of disease  
Coming on as a feeling of bliss  
Unpredictable and insidious

Then I don't wanna be cured  
No I don't wanna be cured  
Oh I wanna be your patient  
I wanna stay your patient  
I only wanna be treated by you
