Jamie T
"I'd Do Anything For You"

Nothin's gonna hurt you

As long as I am here

We're both livin'for the dream

And I wont desert you

So c'mon and dry your tears

You know it's never as bad as it seems

It just kills me

To see that you've been cryin'

Everybody needs someone to help 'em sometime

Chorus

I'd do anything for you

I'd change the world

And give it back to you

And everything I've got

I'd give it all to you

I'd do anything for you

When nobody sees you and nobody hears a word

Let me be the one you come to

And all those wishes

That you thought no one heard

I would try to make'em come true

And it just kills me

To see that you've been cryin'

Well everybody needs

Someone to help'm sometime

Chorus

Look at me

I'm just like you

And everything you need

Well I need it too

Chorus

I'd do anything for you

I'd do anything for you
