Well if i am a boy  
Even just for one more day  
I'd roll out of bed in the morning  
And put on what i wanted and go  
Drink beer with the guys  
And chase after girls  
I'd kick it with who I wanted  
I'd never get confronted for it  
Cause they'd stick up for me

Well I am a boy  
I wish you could understand  
How it feels to love a girl  
And wish you were a better man  
Who listens to her  
Cause I know how it hurts  
When you loose someone you wanted  
Cause you've taken them for granted  
And everything you had got destroyed  
Yeah i am that boy

Who turned off his phone  
Told everyone that its was broken  
So you thought that i was sleeping alone  
I'd put myself first  
Make the rules as I go  
Cause I know she'll be faithful  
Waiting for me to come home

Well i am a boy  
I wish you could understand  
How it feels to love a girl  
And wish you were a better man  
Who listens to her  
Cause I know how it hurts  
When you loose the one you wanted  
Cause she's taken you for granted  
And everything you had got destroyed

Well it's a little too late for me to come back  
Its just a mistake  
To forgive me like that

I thought you were wrong and you're gone

Well i am a boy  
Which i don't understand  
What it means to love a girl  
Someday i'll be a better man  
Who listens to her  
Cause he knows how it hurts  
When you lose someone you wanted  
Cause they've taken you for granted  
And everything you had got destroyed  
Well I am a boy
