Well it's fine you know the son was young  
and then he started grow up faster  
Parents wondered what went wrong  
and then he turned into a little monster

Well I didn't expect much more  
son was a little scaly wag wag wagger  
can't see much more of a lesser known guest  
and the oldest straight away  
back to the point,  
give him three coca colas he'll run away  
write up the walls and down  
a little dirty scallywag of a monster

So mamma please let us out on the town  
we wanna drink we wanna fight we want it all night  
we're gonna smash up your neighbours car  
if you don't let us out the door  
that's fine and dandy i'll just climb out my window  
leave y'all see ya later never liked you anyway  
I swear i'm adopted stop it

The son was young then he turned to a monster

I'm the oldest man in the family  
I might be just a teenager but my minds much sharper  
than anybodies  
and dad's just a drink drink drunker  
now back to the point of the matter  
I'm still here and I'm still walking out  
see you later i'm gonna get a job  
cos I'm leaving school cos I ???

Heavy heart, leaving me solo  
see you later mamma gonna be a bread winner  
take a time watch your clock walk up  
don't worry mamma cos I'm a m-m-monster

Well I never like you mamma and I never liked your  
type of music  
infact I sold all your cds out the back of your car just to

prove it  
and I spent the money HAHA seriously on all that  
whiskey  
that time when I puked up on the doorstep and you told  
me I was a monster  
and now I'm back to tell you that I will never end the  
truth  
I'll be back around the way soon before never end me  
then I'm through  
So a killer, that's just me I'm the killer of a happy family  
And that's fine with you is it? Fine with me, fine well  
fuck off and die
