Why you tell me not to leave,

You tell me not to cry.

Why you tell me not to leave,

You tell me not to cry.

And love is just another word,

That keeps me here tonight.

And tears are just another fool,

A weapon when we fight.

What have we done here at what is the cost,

Of all these feelings & love that we've lost.

CHORUS

And it's you, that keeps me here tonight.

Yeah it's you, that leads me to the light.

Words we've said them all before

Got nothin' left to say.

And truth is something we both know,

Is something we left far away.

What have we done here at what is the cost.

Of all these feelings & love that we've lost.

CHORUS

BRIDGE:

Give me something I can feel

Something we both know is real

And make me believe.

CHORUS
