I believed you were the one for me
To take me in from the rain
Mama give me peace and harmony

Break my back to try to understand
And keep it going your way
But I'll pull my head from the burning sand
Here's what
I've got to say

Face the pain enjoy your anger
Then wash the ashes from me
After the rain the sun seems stronger, you'll
see

Now the question deep inside of me
Is it me, is it you, who opened the door
So unexpectedly

Oh, you think that
it's cool
Like playing at school
Fooling boyfriends around in the playground
But you need to be hot to turn the heating down
Well, here's
what
I've got to say

Face to pain enjoy your anger
Then wash the ashes from me
After the rain the sun seems stronger, you'll
see
(It seems so strong you will see)
