Don't ya know you confuse me
Everytime you walk away
And I feel like you just use me
'Cause you know I'm gonna stay
Where ya lead I just follow
Anywhere I come to you

Chorus:

Like a dog on a chain
When you call out my name
I come runnin' to you
You give me somethin' sweet
And I'll lay right at your feet
I come runnin' to you

Runnin' to you
Everytime you deny me
I still want you anyway
And then you look right by me
You don't hear a word I say
Where ya lead I just follow
Anywhere I come to you
Chorus
Darlin' if you only knew
What you mean to me
You would never be so mean to me
Where ya lead I just follow
Anywhere I come to you
Chorus
