Evilyn, I don't know where to start  
this time you really gone too far  
and you know its true  
these things you do  
What you need I don't got anything at all  
sometimes we don't see things eye to eye at all  
and you know its gone 'cause you feel the wrong  
Evilyn, they can't say we ain't tried  
can't we get beyond all these lies  
and you know its true  
these things you do  
What you need I don't got anything at all  
sometimes we don't see things eye to eye at all  
and you know its true 'cause you feel it too  
Pain its the only thing we know  
truth its not something we don't show  
its true yeah  
What you need I don't got anything at all  
sometimes we don't see things eye to eye at all  
What you need I don't got anything at all  
sometimes we don't see things eye to eye at all  
and you know its true these things you do
