Time to pay the rent, baby, gotta try and work harder  
Really goin' nowhere fast, you're not goin' much farther  
Gotta take a break, baby, try and make my load lighter  
I'm missin' somethin' that I need, never been much of a  
fighter

Well, maybe I made a few mistakes  
But baby, you know they were mine to make

I know the game but I don't want to play it  
I know the word but I don't want to say it  
I've got the bill but I don't want to pay it  
I know the game but I ain't gonna play it this time

You watch me like a hawk, baby, I know somethin's  
gotta give  
Listen to the way you talk, baby, this ain't no way to live  
Everything I don't have, well, it all belongs to you  
I'm doin' the best that I can, baby what you want me to  
do

Well, maybe I made, a few mistakes  
But baby you know, they were mine to make

I know the game but I don't want to play it  
I know the word but I don't want to say it  
I've got the bill but I don't want to pay it  
I know the game but I ain't gonna play it this time

The old ways are dead and gone, the door is open  
wide  
Anything can happen now, you can see me  
I'm standin' on a thin line

Well, maybe I made, a few mistakes  
But baby you know, they were mine to make

I know the game but I don't want to play it  
I know the word but I don't want to say it  
I've got the bill but I don't want to pay it  
I know the game

I know the game but I don't want to play it  
I know the word but I don't want to say it  
I've got the bill but I don't want to pay it  
I know the game but I ain't gonna play it this time  
I ain't gonna play it, not this time
